

Dossier architekta Andrew Bromberg'a:

Urodzony w 1968r. w Denver, studiował *Projektowanie ze zintegrowanym podejściem do urbanistyki (Environmental Design)* na Uniwersytecie Kolorado i na Uniwersytecie Arizona oraz *Architekturę* w Instytucie Architektury Południowej Kalifornii i na Uniwersytecie Waszyngtońskim, na którym to otrzymał dyplom architekta w 1994r. Andrew Bromberg pierwszą nagrodę za swój projekt architektoniczny otrzymał już podczas studiów w 1988r.

W latach 1994 – 2000 pracował w pracowni projektowej NBBJ Architects w Seattle, a w 2001r., realizując pasję podróżniczą wyjechał do Azji. W 2002r. dołączył do zespołu brytyjskiej firmy Aedas z siedzibą w Hongkongu, podkreślającej w swojej misji wiarę w projektowanie mające na celu równoczesne zaspokojenie potrzeb różnych grup interesu przy jednoczesnej dbałości o równowagę pomiędzy wyrazem architektury i urbanistycznym kontekstem projektowanych inwestycji.
